Re: Application of Gold Line Telemanagement, Incorporated for a Certificate of Public Convenience and Necessity for Authority to Operate as a Reseller of Interexchange Telecommunication Services within the State of South Carolina and for Alternative Regulation
Docket No. 2002-12-C

Dear Ms. Boyd:

The Office of Regulatory Staff (ORS), pursuant to the Commission Directive of January 12, 2011 in the instant docket, has communicated with representatives of Gold Line Telemanagement concerning the Commission's requirement that the company have a \$5,000 bond on file with the Commission associated with its offering prepaid calling card services within the State of South Carolina.

In response to our contact, Shala Yazdani, Chief Financial Officer, provided a Certificate of Deposit ("CD") maturity notification which reflects that the South Carolina Public Service Commission name is associated with the account. The amount of the CD is \$5,000. ORS confirmed through Wells Fargo Bank that the account was active on January 19, 2011 and the current maturity date is May 4, 2011. Ms. Yazdani claims that the CD was filed with the Commission. A copy of the notification is enclosed with the account number redacted.

Very truly yours,

Nanette S. Edwards
